To whom it may concern,

The Houston Dynamo has been working with Advantage Services since our arrival to Houston, TX in 2006. Advantage handles all of our Game Day medical services as well as additional off site events. They have always gone above and beyond our expectations and provide first-class professional service at all levels. We feel at ease with their attention to detail and expertise when handling our fans, players, and staff.

I can confidently recommend Advantage Ambulance as a solid and reliable medical service for any event.

Sincerely,
